

VAN DER VALK
DEN HAAG - WASSENAAR

EXPANSION & RENOVATION

Van Der Valk Hotel Den Haag-Wassenaar is going to expand and renovate!

On 13th september 2021, the construction work will start. Of course we will ensure that you will experience as little inconvenience as possible during your stay. The work will take place from Monday till Friday between 7:00 and 18:00 hrs.

During the renovation works the car park has reduced capacity. Therefore alternative parking spaces in the vicinity of the hotel can be used. In case our own parking lot is full, you can park your car either on the Zijdeweg or Zijdelaan. On the next page you will find a map which shows the different parking locations.

As of January 2022 a pop up restaurant including reception will open up so you can still enjoy a breakfast, lunch or dinner in our restaurant as you are used to.

We expect to finish the construction work in the spring of 2023 and hope to welcome you back in our new hotel!
